## WHO WE ARE

We are a young, internationally active company that appears to the public through several brands. We develop, produce and distribute OFFROAD performance for enduro and motocross sports. Style and quality are our main focus. Despite our only short existence, since the year 2016, we are already among the leading hard enduro equipment manufacturers. From the passion for the matter itself, namely the enduro sport, X-GRIP was born and this still pushes us today. STAY ON TRACK is not only our slogan, we live it! That fits you too? Then join us at the start and go full throttle!
